

April 2015 Monthly News Bulletin

Dear Enroll-HD Investigators and Site Staff,

An Enroll-HD progress update over the past month:

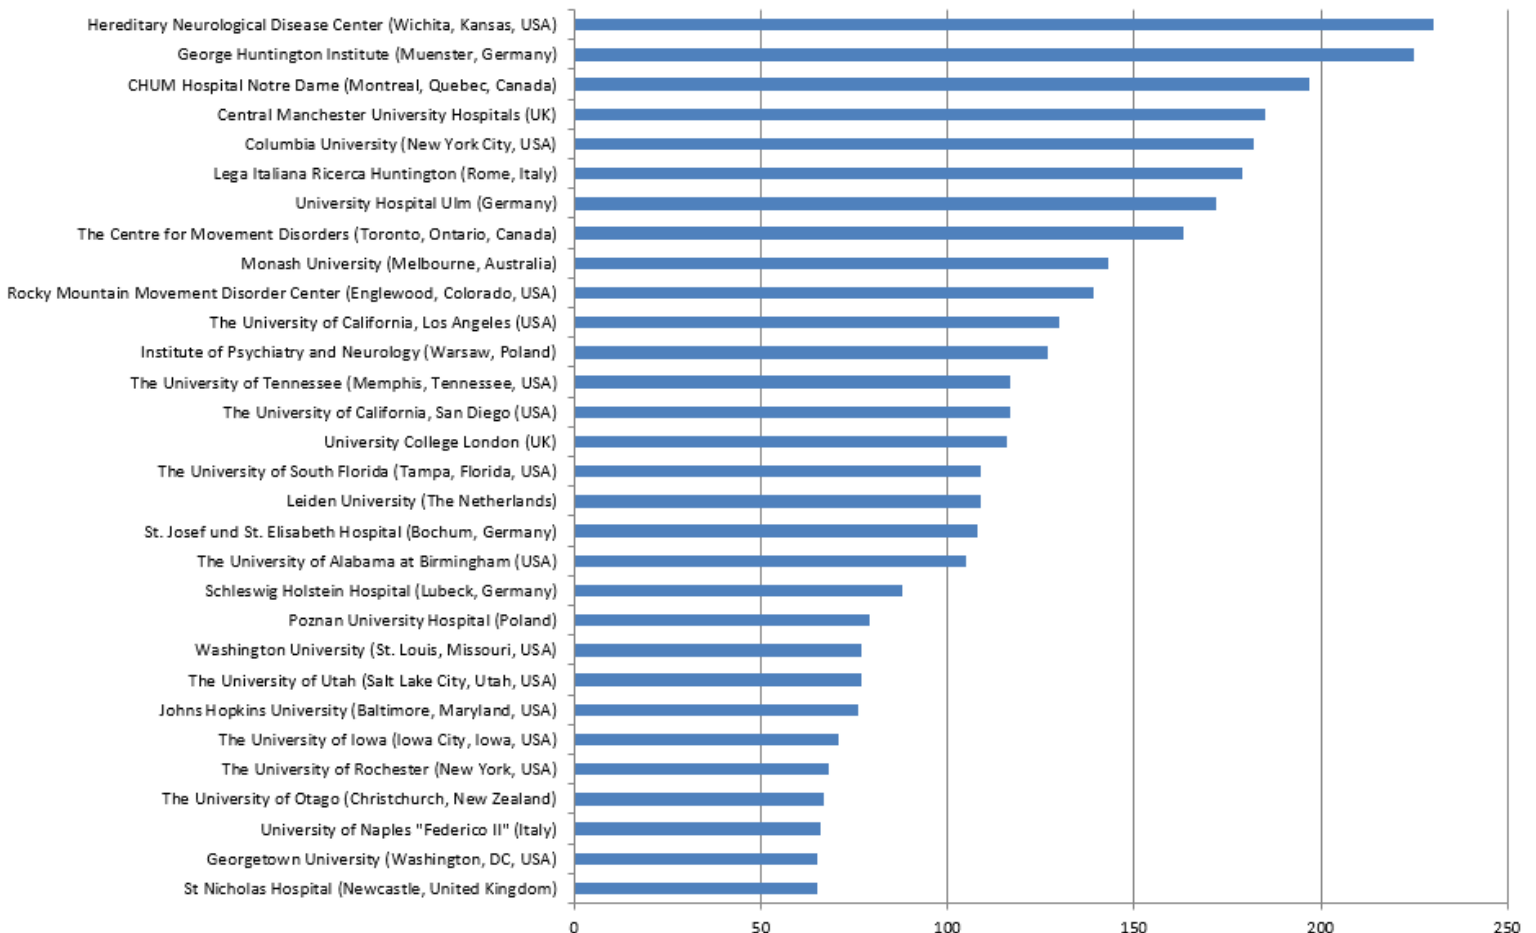

Enroll-HD website update

- The **new Enroll-HD website is now live** – go to www.Enroll-HD.org to find lots of information about how Enroll-HD is structured and the people who keep it running, from site staff to participants to clinicians to researchers, plus links to lots of information sources. Please share the link with your site staff and your participants and check back often for new articles, updates and announcements.

Recruitment update

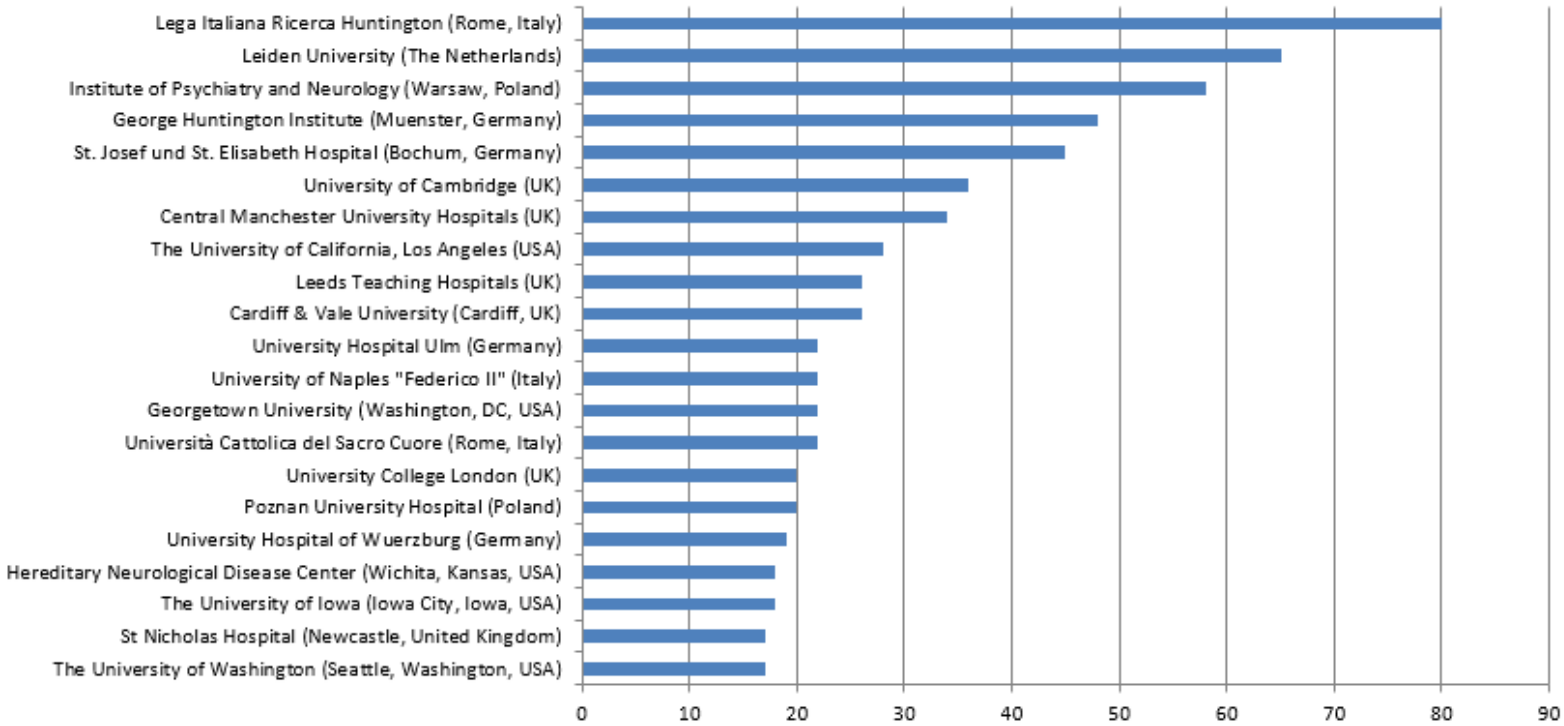

- As of April 1st, a total of **5,491 participants** have been enrolled at **106 sites** around the world. See below for further details regarding Enroll-HD recruitment.

Top Enrolling Sites - Since Study Start

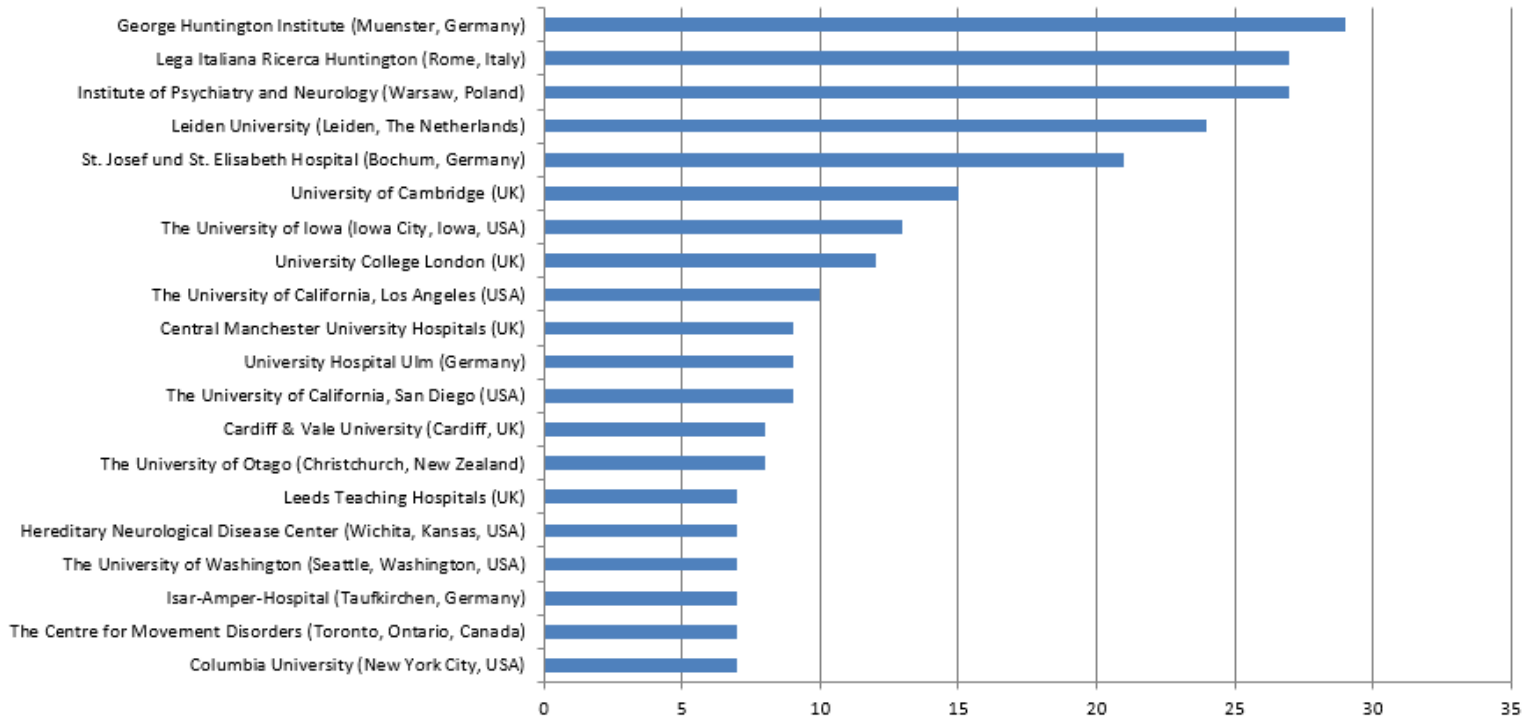

★ The top enrolling site is Hereditary Neurological Disease Center (Wichita, Kansas) with **230 participants** enrolled!
